The Rev. Dr. Mark D. Baker

Dr. Mark D. Baker graduated from Wheaton College with a Bachelor of Arts in Christian Education and Social Science in 1979. He also received a Masters of Arts in Biblical Studies from New College for Advanced Christian Studies in Berkeley, California, and a Ph.D. in Theology and Ethics from Duke University. Mark currently teaches at Mennonite Brethren Biblical Seminary. He has also taught at a Bible institute and the Latin America Anabaptist Seminary.

Many summers spent as a Christian camp counselor made a significant contribution to Mark's leadership development. He served as a campus minister at InterVarsity Christian Fellowship in Syracuse, New York, and in 1989, he and his wife, Lynn, went to Honduras as missionaries where they worked with the equivalent of InterVarsity and with various Christian community development projects.

Mark and Lynn had been attracted to Anabaptism through reading, life experiences and interaction with various Anabaptist believers. In 1992 they joined a Mennonite Church. Mark and Lynn have two daughters, Julia and Christie.

For a number of years, Mark has been deeply involved with a church in a poor neighborhood in Tegucigalpa, Honduras, walking with them as they seek to follow Jesus. He learned a great deal in the process and received as he gave. His first book, *Religious No More: Building Communities of Grace and Freedom,* is a product of his conversations with these people. He hopes to remain actively involved with this church and other mission activities in Honduras through annual visits. He has also co-authored a second book with Joel B. Green, entitled, *Recovering the Scandal of the Cross: Atonement in New Testament and Contemporary Contexts.*

*

The Harrison-Shaw PREACHING MISSION has been established in memory of W.S. Harrison, Sr. of Asheville and J. Paul Shaw of Raleigh, NC. The purpose of the mission is to bring the ministry of outstanding religious leaders of various denominations to the people of Asheville, Buncombe County and the surrounding area. While the mission is held at Trinity United Methodist Church, the services are interdenominational and are designed to offer inspiration, Christian nurture and Christian fellowship to all people. It is our prayer that by uniting in this spiritual experience the churches of our community will be drawn closer together.
